

## **Application for Membership Community Advisory Group Zeneca/former Stauffer Chemical Company Site**

A Community Advisory Group (CAG) is being established in your community for the Zeneca/former Stauffer Chemical Company site (Zeneca Site) in Richmond, CA. The Department of Toxic Substances Control (DTSC) is assisting the community in forming a CAG after receiving a petition signed by more than 80 people. The Zeneca Site is located at 1391 South 49<sup>th</sup> Street, and consists of the property located between Meade Street, University of California Richmond Field Station, South 49<sup>th</sup> Street and the San Francisco Bay.

### **Conditions for Membership:**

Members serving on a Community Advisory Group (CAG) are volunteers who attend CAG meetings and participate in the duties of a CAG. Duties and responsibilities will include listening to presentations from technical and other experts, reviewing and commenting on technical documents and other activities associated with the cleanup of the Zeneca Site. Members will be expected to be available to facilitate the exchange of information and/or concerns between the community and the CAG. CAG members can expect to devote a minimum of 12 days per year to support the CAG. CAG membership must be reflective of the diversity and interests of the Richmond community surrounding the Zeneca Site.

If you are interested in being considered to serve on the CAG, please complete the questions below. If you need additional space to write your answers, please attach additional pages as necessary.
